

CORPORATE GIFTING COLLECTION
2026

züny

COLLECTED, NOT CONSUMED.

Zuny creates objects that remain.

On desks. In studios. In quiet corners
of executive offices.

Crafted from custom-developed
synthetic leather and weighted with
intention, each piece is designed not
for a season — but for years of
presence.

We believe corporate gifting should
feel considered, never disposable.

WHY ZUNY FOR CORPORATE

Emotional Longevity

Not promotional merchandise —
but collectible objects that stay long after
the event.

Design Integrity

Soft structure, architectural weight,
refined silhouettes developed over two
decades.

Subtle Appreciation

Communicates gratitude without loud
branding.
Presence without promotion.

DESIGNED FOR REFINED SPACES

Zuny objects are selected by:

- Executive Offices -
- Hospitality Suites -
- Architecture & Design Studios -
- Real Estate Developments -
- Technology & Creative Firms -
- Private Client Gifting Programs -

Each piece softens modern interiors with quiet character.
